

Clean House in Seven Days 7-DAY MAINTENANCE SCHEDULE

BRAMBLYTHICKET.COM

Use the Brambly Thicket 7-Day Maintenance Schedule below to customize tasks based on your home and schedule. Check off tasks completed, add tasks you did that weren't on the daily schedule, and include notes about your day. It should reflect what you should accomplish in seven days to keep your house staying clean! You will change it around a lot based on your ever-changing schedule of doctors' appointments, meetings, etc., as long as you can get all the tasks done within one week.
